The information contained in the Annual EEO Report covers the time period from June 1, 2016 to May 31, 2017 (the "Applicable Period"). Consistent with the FCC's Rules, this Annual EEO Report contains the following information:

1. A list of all full time vacancies filled by the Station during the Applicable Period;
2. For each such vacancy, the recruitment source(s) utilized to fill the vacancy, including any such sources that have asked to receive information from the station about any new job openings, which are separately identified;
3. The recruitment source that referred the Hiree for each full-time vacancy filled during the Applicable Period;
4. Data reflecting the total number of persons interviewed for all full-time vacancies during the Applicable period and the total number of interviewees referred by each recruitment source utilized in connection with such vacancies; and
5. A list and brief description of the community outreach activities, not directly related to the opening of job positions, undertaken by the station during the Applicable Period.

The following sections provide the required information, and summarize the station(s) EEO efforts during the Applicable Period. This Annual Report was placed in the station's public inspection file on 6/1/2017, and posted on the stations' web site, in accordance with the FCC's EEO Rules.

Section 3:

Supplemental (Non-Vacancy Specific) Recruitment Activities Undertaken

Time Period Covered: June 1, 2016 to May 31, 2017

Stations in Employment Unit: WRSR

Description of Activity:

1). Internship Program –

WRSR welcomes students from area universities and colleges who are seeking experience in Broadcasting and Business environments. Students must be enrolled in a program related to the broadcasting industry, and their internship must be endorsed, supported, and constantly monitored by the sponsoring university. Students are rewarded with course credit hours upon completion of the semester-long program. During the period covered by this report WRSR will have Jenna Vanzuiden as our intern for the fall semester. Jenna is a student from Mott Community College and is interning for the period of 10/3/16 to 12/30/16, and is here each week for fourteen hours. At the end of her internship with WRSR she will earn four college credits. Jenna will work with Bill Bailey, General Manager, Pam Canter, Office Manager, Jeremy Fenech, Program Director and with members of the Sales Department and On Air staff.

2). Scholarship –

On October 25, 2016 Bill Bailey, General Manager made a Scholarship Gift in the amount of \$1,000.00 to the Foundation for Mott Community College. The Scholarship will be awarded to a deserving student in one of the following programs: Digital Technology/Media Design, Graphic Design, or Media Arts and Entertainment technology. This donation will benefit Mott programs and students committed to academic development and distinction. The Foundation assists the college in providing critical financial resources for a variety of college programs and initiatives.

3). Open House –

On 10/27/16, WRSR held an Open House in our offices located at 4511 Miller Road. Bill Bailey, General Manager, met with the attendees and discussed careers and advancement in the broadcast industry. One applicant called in advance to secure a spot. He was given a tour of the station, had a chance to talk with Jeremy Fenech, Program Director. The Open House started at 5pm and finished up around 5:30pm.

4). Station Tour –

Cub Scout Pack 175 of Grand Blanc came in on Wednesday December 14th from 5:00pm to 6:00pm for a station tour with seven boys. They recorded a Christmas greeting with Andre Peters on air personality. Andre showed them how to make a commercial and let them say Merry Christmas to their families on the air.

5). Job Shadow –

On Thursday, 1/5/2017, Marleigh Matthews from Davison High School was here to meet with Jeremy Fenech, Program Director and Pam Canter, Office Manager. She also met with Roy Moore, on air personality. She arrived at the station at 9am. Jeremy Fenech showed her how to assemble and edit music logs. She spent time in the air studio with Scott Mansell and Roy Moore. Scott showed her how news and sports reports are inserted and played, and Roy showed her how contesting is done, prize sheets are filled out, what goes into the lunch time request show and also how to produce a commercial. With Pam Canter she was shown how orders are entered into the traffic system, how commercials are assigned cart numbers and turned into production, from production how the spots get on to the program log and into automation, reconciling the aired log with the automation system.

6). Station Self Assessment –

On 3/28/17, Rod Krol, President, Bill Bailey, General Manager, Jeremy Fenech, Program Director and Pam Canter, Office Manager, met to discuss the stations effectiveness in making sure that the Wide Dissemination being conducted is bringing in a diverse pool of applicants. In last year's meeting it was determined that we will use Mlive as a recruitment source, this resulted in one applicant. It was determined that we would add All Access as a referral source for On Air positions, producing 6 applicants. In addition we assessed the following:

1. Whether we regularly convey our EEO program to employees and applicants. The station has EEO notices posted on our bulletin board, on job applications, in on air announcements and located on the station web site. In Compliance.
2. Our seniority practices, to ensure that they are not discriminatory. In Compliance.
3. Our salary and benefits programs, to ensure they provide equal pay for equal work and are not in any discriminatory manner. In Compliance.
4. Promotions, to ensure they are not based on any discriminatory practices. In Compliance.
5. Whether we have avoided any indication in our recruiting advertisements that there is any preference for persons of a particular race, national origin or gender. In Compliance.
6. Union agreements, if they exist, to make sure that they provide for equal opportunities for all. Not Applicable.
7. Selection techniques, to avoid tests or other hiring evaluation techniques that could be discriminatory in effect. In Compliance.

7). Career Day at Bryant Elementary—

On Monday, April 24, 2017, Bill Bailey, General Manager and Jeremy Fenech, Program Director attended a Career Day at Bryant Elementary School in Owosso, MI. They arrived at 1:30pm. They gave 2- 30 minute presentations highlighting a radio broadcasting career to groups of students, 2nd thru 5th grades. They took the Comrex out and did call ins with the students on the radio.
