Section 3:

Supplemental (Non-Vacancy Specific) Recruitment Activities Undertaken

Time Period Covered: June 1, 2019 to May 31, 2020

Stations in Employment Unit: WRSR

Description of Activity:

1). Internship Program –

WRSR welcomes students from area universities and colleges who are seeking experience in Broadcasting and Business environments. Students must be enrolled in a program related to the broadcasting industry, and their internship must be endorsed, supported, and constantly monitored by the sponsoring university. Students are rewarded with course credit hours upon completion of the semester-long program. During the period covered by this report WRSR will have a student from Mott Community College as our intern for the fall semester. The student will be interning for the period of 10/1/19 to 12/19/19, and is here each week for fifteen hours. At the end of the internship with WRSR he will earn three college credits. The student will work with the General Manager, Office Manager, Program Director and with members of the Sales Department and On Air staff.

2). Scholarship –

On November 5, 2019 WRSR's General Manager made a Scholarship Gift in the amount of \$1,000.00 to the Foundation for Mott Community College. The Scholarship will be awarded to a Deserving student in one of the following programs: Digital Technology/Media Design, Graphic Design, or Media Arts and Entertainment technology. This donation will benefit Mott programs and students committed to academic development and distinction. The Foundation assists the college in providing critical financial resources for a variety of college programs and initiatives.

3). Job Shadow –

On Friday, January 17th, 2020 a student from Clio High School was here to Job Shadow. She spent time in the air studio with the Mid-Day Host learning the inner workings for on air, songs playing, commercial breaks, live reads, phone call editing & so on. He also had her on the Air to discuss future career plans. She then spent time with the Program Director, learning how music is scheduled and implemented.

4). Career Day –

The Program Director for 103.9 The Fox was invited to attend the Career Fair at Barhitte Elementary School on Wednesday, March 4th, 2020. There was a morning session for Kindergarten through 2nd Grade, and an afternoon session for Grades 3 through 5. In addition to representatives in the fields of banking, mortgage, electrical, farming contracting, and law enforcement, he had fun telling the kids about radio broadcasting and how much it has changed in the last 25 years. After individual 5 minute lectures from each representative, they went to the

cafeteria, where each industry rep had a table where kids could ask questions. It was a very fun and rewarding experience.

5). Station Self Assessment --

On 4/14/20, Rod Krol, President, Bill Bailey, General Manager, Jeremy Fenech, Program Director and Pam Canter, Office Manager, met to discuss the stations effectiveness in making sure that the Wide Dissemination being conducted is bringing in a diverse pool of applicants. We had a general discussion evaluating current recruitment sources. Bill Bailey has reached out to MI Works/Fenton to broaden our recruitment needs with no results. We added WHMI, our sister station on 1/14/20 which resulted in two interviews. As part of recruitment initiatives, we discussed our scholarship program, how we can become more involved. The General Manager, Bill Bailey is now involved with the process of interviewing and selection of the scholarship recipient. In addition we assessed the following:

- Whether we regularly convey our EEO program to employees and applicants. The station has EEO notices posted on our bulletin board, on job applications, in on air announcements and located on the station web site. In Compliance.
- Our seniority practices, to ensure that they are not discriminatory. In Compliance.
- Our salary and benefits programs, to ensure they provide equal pay for equal work and are not in any discriminatory manner. In Compliance.
- Promotions, to ensure they are not based on any discriminatory practices. In Compliance.
- Whether we have avoided any indication in our recruiting advertisements that there is any preference for persons of a particular race, national origin or gender. In Compliance.
- Union agreements, if they exist, to make sure that they provide for equal opportunities for all. Not Applicable.
- Selection techniques, to avoid tests or other hiring evaluation techniques that could be discriminatory in effect. In Compliance.
